Appeal from the United States District Court for the Southern District of California Hon. Robert H. Whaley, United States District Judge, Presiding

> Argued and Submitted March 7, 2006 Pasadena, California

Before: THOMAS and TALLMAN, Circuit Judges, and FITZGERALD\*\*, District Judge.

The Port of Seattle ("Port") appeals the district court's dismissal with prejudice of its claims arising from its payment of wholesale electricity rates. The dismissal of the action by the district court is affirmed on the ground that the Port's claims are barred by the doctrine of conflict preemption. *See* U.S. CONST. art. VI, cl. 2; *Gadda v. Ashcroft*, 377 F.3d 934, 946 (9th Cir. 2004) (as amended),

<sup>\*\*</sup> The Honorable James M. Fitzgerald, Senior United States District Judge for the District of Alaska, sitting by designation.

cert. denied, 543 U.S. 876 (2004). The Port's requested relief squarely conflicts with existing FERC proceedings and orders. To avoid interfering with these proceedings, this case is dismissed.

## DISMISSED.
